Mark 15:1-47

Connecting the dots that move us from OT prophecy to NT reality linking the _____ and _____ of Jesus...

In Genesis 22:9-14 we learn:

A ram or _____ was provided as a _____ sacrifice for Isaac.

In Exodus 12:3-7 & 13 we learn:

1. The _____ of the sacrificed Passover lamb was applied to the doorposts as a _____ - _____ covering over that household.
2. The _____ was provided as a _____ for the Hebrew first-born.

In John 1:19-34 we learn:

John the Baptist declared that _____ was the _____ of God who takes away the _____ of the world.

In Hebrews 9:11-12 we learn:

A sacrifice – a _____ sacrifice - was the means to obtain _____ and forgiveness of sin.

“The curtain of the temple was torn in two from _____ to _____.” (Mark 15:38)

We are now allowed to approach pure _____ at _____ time. God the Father had a well-defined, perfect _____ for the _____.

How this all links to the birth of Jesus and Advent

Tower of the Flock is _____ (Micah 4:8)

Priestly shepherds would tightly wrap the newborn lambs in strips of cloth called _____ to prevent cutting or harming.

They would place the lamb in a hewn limestone rock called “*the _____*” to inspect and wrap it.

(OVER)

There at Migdal Eder where the shepherds normally brought their pregnant sheep to give _____, _____ gave _____ to Messiah Jesus.

This *will be* a sign for you: you will find a baby wrapped in _____ and lying in a _____. (Luke 2:12) The shepherds knew _____ *where to go!*

We see the _____ between the stories and actions and OT prophecies and the birth of Jesus.

God’s _____ are from of _____. His plan is perfect. And he will _____ it.
